

Dear FCC Commissioners, Please retain the remaining rules governing media ownership. Further concentration of ownership will have serious consequences for our culture and democracy, by reducing the opportunities for discussion from a variety of perspectives and further dumbing down the information available to citizens. As an independent writer and creator of material for the media, additional reduction in competition through deregulating our mass media will further restrict the means by which I earn my living.
Yours truly, Deborah Robson

<TEXT> Dear FCC Commissioners,

Please retain the remaining rules governing media ownership.
Further concentration of ownership will have serious consequences for our culture and democracy, by reducing the opportunities for discussion from a variety of perspectives and further dumbing down the information available to citizens. As an independent writer and creator of material for the media, additional reduction in competition through deregulating our mass media will further restrict the means by which I earn my living.

Yours truly, Deborah Robson
